FQA:

1. Which kind of leather your company can make?

We can do OEM for customers. Base on customer's requirement, we can produce the thickness from 0.6 mm to 3.0 mm. And having many types of backing material like TC (terylene cotton) , elastic fleece, mutispandex, microfiber, mercerized cotton, nonwoven fabric, TC fleece, brushed fabric, knitted fabric etc. Also color and texture can meet your requirement.

2. Can we order other color not included in your color card?

Yes, we can make Pantone color if you advise the number. And before bulk producing, we will send sample to you for confirmation.

3. Balance and Delivery

We will inform you when mass production finished, and we will ship out the good when balance paid.

4. Factory Visit

We warmly welcome you to our factory any time. We can supply picking up from the airport and help you book hotel if you need.

5. After-sale Service

We provide excellent after-sale service for each order, any problems we will take responsibility and solve for you.

6. What is the quality of the product?

We check all orders meter by meter before packaged (No Shading difference, no scratches, no lines, powders are hard to peel off etc).
